A Stewardship Moment

There is one word or command that summarizes today's Gospel: Love. For Jesus there is no distinction between these two commands of loving God and neighbor. One naturally flows from the other. In fact, for Jesus, these commands constitute a way of life for Christian stewards; a unique approach to life and to their relationship with others. Our neighbors include everyone with whom we come into contact: family members, friends, people we don't like, strangers and particularly those most in need of our love and compassion. Love is always for doing well and helping others grow closer to the Lord. What are ways in which we might do better at following Christ's love command?
